**WALKER STATEMENT ON DEPARTURE OF ADMINISTRATIVE SERVICES HEAD**

MILWAUKEE – County Executive Scott Walker made this statement concerning the announced departure of Linda Seemeyer, Director of Administrative Services for Milwaukee County:

“Linda Seemeyer has announced that she is resigning in February to accept a position with Walworth County. Linda has been with this administration almost since I first took office. She has been instrumental in planning and executing many of the changes that were necessary to fix the problems in the county. She has been one of my key advisors as well as an exemplary manager of one of the largest departments in the county. I have valued her counsel and her friendship in state government but more importantly here at the county, where we have worked together to move my agenda of reform forward. I wish Linda well in her new endeavor and I deeply appreciate her dedication to our county.”
